**SAFE 'N SIMPLE  
Lawn Food 6-2-4**

Taking a cue from nature, this lawn food is a natural-based fertilizer containing soybean, alfalfa, and fish meals. It will enhance the soil and increase biological activity while providing the necessary nutrients for a lush lawn.

50 lb. bag 5,000 sq. ft. **\$33.50**

**SAFE 'N SIMPLE  
Weed Control 9-0-0**

An all-natural plant product made from corn gluten. This product will control weeds as they germinate by inhibiting root development. An additional benefit is that it provides slow release nitrogen to your existing lawn or garden.

50 lb. bag 2,500 sq. ft. **\$49.50**
